

Phys/Chem Weekly Planner: All science week of 5.4.2020

(remember all previous weeks are archived below)

Objectives for the week: Chm.2.1.5 Explain the relationships between pressure, temperature, volume, and quantity of gas both qualitative and quantitative. Phy.2.3.5 Analyze systems with multiple potential differences and resistors connected in series and parallel circuits, both conceptually and mathematically, in terms of voltage, current and resistance.

Day	<i>Honors Physics</i> ck12.org CLASS CODE: mehsd	<i>Honors Chemistry</i> ck12.org CLASS CODE: g6v1m
Mon 5.4	<p>7 mini-modules, 4 school days. Practice test on our website with accompanying video on Thursday AM. Message me when you are ready for your own, personal version to take on Friday!</p> <p>7 Concepts, 0 Quizzes</p> <p>Assign to Members Undo Assign</p> <p>Show correct answers: <input checked="" type="checkbox"/> ?</p> <p>Start Date <input type="text" value="05/03/2020"/></p> <p>Due Date <input type="text" value="05/07/2020"/></p> <p>Weekly overview video: https://screencast-o-matic.com/watch/cYhfcBE0e</p> <p>6pm ZOOM video meeting</p>	<p>8 mini-modules, 4 school days. Practice test with accompanying video posted on Thursday morning. Message me when you have done them and are ready to take your own version of the test on FRIDAY!!</p> <p>8 Concepts, 0 Quizzes</p> <p>Assign to Members Undo Assign</p> <p>Show correct answers: <input checked="" type="checkbox"/> ?</p> <p>Start Date <input type="text" value="05/03/2020"/></p> <p>Due Date <input type="text" value="05/07/2020"/></p> <p>Weekly overview video: https://screencast-o-matic.com/watch/cYhfcBE0e</p> <p>6pm ZOOM video meeting</p>
Tues 5.5	<p>Continue through minimodules, check in everyday to let me know what you are working on, and contact me for help!</p> <p>6pm ZOOM video meeting</p>	<p>Continue through minimodules, check in everyday to let me know what you are working on, and contact me for help!</p> <p>6pm ZOOM video meeting</p>
Wed 5.6	<p>Continue through minimodules, check in everyday to let me know what you are working on, and contact me for help!</p> <p>6pm ZOOM video meeting</p>	<p>Continue through minimodules, check in everyday to let me know what you are working on, and contact me for help!</p> <p>6pm ZOOM video meeting</p>
Thur 5.7	<p>Finish minimodules, check in everyday to let me know what you are working on, and contact me for help!</p>	<p>Finish minimodules, check in everyday to let me know what you are working on, and contact me for help!</p>

	Test review video: https://screencast-o-matic.com/watch/cYh1bGgQjL 6pm ZOOM video meeting	Test review video: https://screencast-o-matic.com/watch/cYhhqZgcmp 6pm ZOOM video meeting
Friday 5.8	TEST: CIRCUITS	TEST- GAS LAWS

Warm up activities! CANCELLED for this week

Monday - <https://evansccca.weebly.com/>

TURN OFF cell phone and put in the bin 😊

PHYZ Warm up: TURN OFF cell phone and put in the bin 😊	CHEM Warm up: Turn OFF your cell phone and put in bin 😊
