

Physics, Chemistry, and AP Computer Science

Weekly Planner: All science week of 3.16.20

Your classes for this week have been temporarily moved online.

Please **KEEP** any written notes and work you do to turn in later. After this week, our spring break is scheduled for 3/23 -3/27. We will **RESUME** virtual lessons on here on 3/30.

Please go to your subject page on this website and follow instructions carefully.

As an example, physics looks like this:

Science MAIN Physics'20 AP CSP '20 Chemistry '20 Science scrapbook Tutoring and NHS Presentations 2019 Literacy for Learning

Students will find more to check for updates on the experiment and make our own work. Please send feedback to us at feedback@nextgen.org and we will use your input to refine our updating of the standards. Thank You!

Have you read the standards already?
Please send feedback to us at feedback@nextgen.org
